Testimonials

"Having Mark Zauss and the Z Street Band was one of the best decisions we made in planning for our wedding. From beginning to end of the process, they were so friendly, accommodating and easy to communicate with. Mark's Trumpet playing during the ceremony was beautiful and moving. All of the guests, ranging in age from 3 to 93 appreciated the combination of classic and contemporary music that the Z Street Band played during the reception. We all had a blast dancing to their upbeat tunes. My husband and I continue to hear rave reviews about the quality of their performance from our guests; many of them have said that they will always remember our wedding because of our "brass band"." **Bride and Groom, Alex and Grace Garlen, Ocean Sky Resort, Fort Lauderdale, FL, March 14th, 2009**

Your group was so kind and professional and incredibly talented!! My husband is so particular about music and for him to compliment your group as highly as he did means a lot in my mind :) Our families couldn't say enough about you guys. "You, Kathy and the Z Street Band are absolutely incredible. Anyone we have talked to that was at the wedding raved about you. You are the reason we had a successful wedding reception. When we first started planning I told Shauna that the music could make or break a reception and I was right. I have never been to a reception where people were screaming for more music when it was time for it to be over. Usually there are few left. Thank you! Thank you! Thank you!" **Sue Goodsman, mother of the bride, Celebration Golf Club, April 25th 2009**

"We were so pleased with our decision to have the Z Street Little Big Band play during our wedding reception – they made our special evening absolutely magical! The performance was exactly what we were hoping for, and we were thrilled to have the opportunity for our guests to enjoy live big band music. I found Mark to be extremely easy to work with – he was prompt with his responses, willing to work with my requests, and provided me with all of the information I needed to make my decisions. The band played a good mix of various rhythms, meeting the needs of all of our guests. Both Kathy and Mark's vocals blended beautifully with the instrumentals, allowing the dancers to keep moving to a constant beat throughout each song. Mark's trumpet solos were amazing, and really added energy to the evening! The band members sounded great and helped to make the evening such fun! We would strongly recommend the Z Street Little Big Band, and look forward to one day having them play for us again!" **Bride and Groom: Jackie Dennen and Mike Meyer, American Adventure Rotunda, Walt Disney World, January 29, 2005**

"Mark Zauss and his 3 piece band were everything we wanted and more for our wedding. Mark played solo for our ceremony and was even patient when the site manager forgot to get us when the guests had all been seated. Having a trumpet for the ceremony was elegant yet unique and fitting as it was a military wedding. Their play list for the reception had everyone on the dance floor dancing the night away! Mark was so easy and accommodating to work with, especially being a busy bride with a groom in another state during the whole planning. Their commitment and integrity goes above and beyond words. Everyone could not stop talking about how great the music was, how wide the selection was and how much fun our wedding was. We are a group that likes to party and the Z Street Band had us doing just that! You can't help but get up and dance when they play! Mark and the Z Street Band was the perfect entertainment for our perfect wedding!" **Vanessa and Mark Miller, Bride and Groom - Columbia Restaurant, St. Petersburg, June 16, 2007.**

"Hi Mark, You guys totally rocked! All morning I've been hearing how great everyone thought you were – we usually have a DJ but as those things go they don't usually appeal to everyone, but last night you had everyone up and enjoying themselves. I will definitely keep you in mind for not only our next event but any that I hear of that are interested in a band." **Lisa T. Executive assistant to the President of TBI Orlando, December 9th 2008**

"Hello Mark, I wanted to thank you for your hard work at our ceremony. The bride's family got lost on the way to the site. Unfortunately, they were too far out for me to send someone out to get them, and they don't speak any English so my wife had to give them directions over the phone while getting ready. It's was pretty tense for a while. They were about 30 minutes late, but you kept the music going in that sweltering heat without knowing what was happening. I was really impressed by your professionalism. Because the music was going strong, I don't think anyone even realized there was a problem. It's funny, but even before the wedding, while I was still communicating with everyone by email, I was telling my friends that a couple of my vendors really stood out, and it was obvious that they were pros even before I met them. You were one of the people, and it turns out the impression I had was dead on. The ceremony music was great. I would highly recommend you to anyone. Sincerely, Eric Towers"
Eric Towers, Groom, Harry P. Leu Gardens, Sept. 20th 2009
